# About Us

We are an organization that strives to build on the necessary leadership and professional skills for the future in the workplace.

Alpha Kappa Psi is open to ALL majors and is open to ALL gender identities. You are also allowed to join our academic fraternity and/or a social/cultural sorority/fraternity

We hold professional topic workshops, fundraisers, and social events with the members in our organization and other organizations. We also hold events with business professionals already in the workplace to help prepare for career readiness.

We help members with interviewing skills and resume polishing. We also have a wide network of professional connections within our org.
